when I prepared the order, & the form, I was under the wrong impression that Potagi allowance may be paid thirteen once a year. As & wherever it is noted, the form may be used till it is fully completed — any the month of payment being inserted as also all the months of the year — & 1st Calendar month may be allowed into the year for which payment is made — an order may be issued accordingly

Docket No 852 dated 28th February 1893 from the Deputy Commissioner of the Bangalore District.

Order thereon.

In the above, the Dy Commissioner enquires whether the permanent order sheeving the salaries payable to Village Officers, alluded to in Govt Pro. No 3749-57 (cir 53) dated 31st May 1892 is to be renewed every year and a copy furnished to the Officer concerned annually.

2. Government considers that it is not necessary to renew the form every

year and that ~~the~~ it may be used ~~accordingly~~ till it is wholly completed, only the months of payment being inserted therein and not all the months of the year.

The 1st column "month" of the order will accordingly be altered into "the year for which payment is due".
